@RichardGarriott @OtherWhiteTofu @Denis_Loubet I loved the Ultima VI map. Made me feel Britannia was a real place, just a moongate away.

@RichardGarriott @OtherWhiteTofu @Denis_Loubet Thank you Lord British! You inspired many kids to dream, create and code. I was one of them!

En respuesta a @RichardGarriott
@RichardGarriott @OtherWhiteTofu Yes, I made much of it, but I do not think I made it all. Not my mountains, not my forests! ;-)

@RichardGarriott @OtherWhiteTofu I DID do the disk labels for disks 1, 2, 4, 5, and 6. I may have done disk 3, but I'm not sure.
